TOWN WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hinsdale qualified to vote in town affairs:

You are hereby notified to meet at Town Hall, on Tuesday, the 10th day of March, 1936, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose a Town Clerk for the ensuing year.

Article 2. To see if the town will vote to accept and adopt the report of the Selectmen, Auditors and other town officers.

Article 3. To choose a member of the Board of Selectmen for the ensuing three years.

Article 4. To choose a member of the Board of Library Trustees for the ensuing three years.

Article 5. To choose five members of the Budget Committee for the ensuing year.

Article 6. To choose a member of the Water and Sewer Commission for the ensuing three years.

Article 7. To choose all other necessary town officers and agents for the ensuing year.

Article 8. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for support of the poor, for maintenance of the fire department, for lighting the streets and for all other necessary expenses arising within the town.

Article 9. To see if the town will accept state aid for construction of Class II road known as Chesterfield Road on Bear Mountain and raise and appropriate or set aside for said purpose the sum of \$1,895.25; or will accept state aid for construction of Class V roads and appropriate or set aside for said purpose the sum of \$380.01.

Article 10. To see what amount of money the town will vote for compensation for the Board of Water and Sewer Commissioners, or act in any manner thereon.

Article 11. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) to re-surface and oil Prospect St., or act in any manner thereon.

Article 12. To see if the town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to re-surface and oil the Plain Road beginning near the residence of Martin Schlatner, or act in any manner thereon.

Article 13. To see if the town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to purchase a tractor and snow plow, or act in any manner thereon.

Article 14. To see if the town will vote to raise and appropriate the sum of seven hundred dollars (\$700.00) to complete the building for the storage of highway equipment, or act in any manner thereon.

Article 15. To see if the town will vote to raise and appropriate the sum of thirty-two hundred dollars (\$3200.00) for the erection of an Electric Distribution Line as follows: Beginning at the junction of the Monument Road and the Oxbow; thence Northerly around the Oxbow to the residence of Arthur Rouillard; thence Easterly to the Plain Road to the residences of Edward Reid, Anderson and LaPlante; thence Southerly along the Plain Road to the Schoolhouse; thence Westerly to the Church; thence Southerly to the junction of the Monument Road to the residence of Albion Carlberg, or act in any manner thereon.

Article 16. To see if the town will vote to pay W. G. Smith the sum of fifty dollars (\$50.00) for a dumping place for one year, or act in any manner thereon.

Article 17. To see if the town will vote to authorize the Selectmen to borrow on the credit of the town a sum not to exceed fifteen hundred dollars (\$1500.00) for the town's share in any work project that may be available from the State, or act in any manner thereon.

Article 18. To see if the town will vote to refund the amount of two thousand dollars (\$2,000.00) paid to the Water and Sewer Works, from the balance of the 1935 interest account, or act in any manner thereon.

Article 19. To see if the town will vote to increase the amount of highway tax paid to Bessie Butler, Harley Sheldon and

Richard Rouillard and to pay a highway tax to Richard Butler, or act in any manner thereon.

Article 20. To transact any other business that may legally come before said meeting.

Given under our hands and seal, in said Hinsdale, this twenty-first day of February, 1936.

EZRA B. PIKE,

PRENTISS W. TAYLOR,
Selectmen of Hinsdale.

A true copy, attest:

EZRA B. PIKE,

PRENTISS W. TAYLOR,
Selectmen of Hinsdale.

SUPERINTENDENT'S REPORT OF THE WATER AND SEWER WORKS

To the Water and Sewer Works Commissioners and Citizens of Hinsdale.

I herewith submit the following as my first report as Superintendent of the Water and Sewer Works.

After a very careful series of tests the State Board of Health approved the water in the new system, during the month of November, and a large number of service connections were turned on at that time. Water rents were collected from December 1, 1935, for a four months' period ending April 1, 1936, when rents for the next quarter will be due.

At present there are eighty-four (84) service pipes open, supplying water to one hundred and twenty-one (121) customers.

Where the Sewer is available, with a few exceptions, these various properties are connected with the Sewer system. Thus far the cost of Sewer maintenance has been very little, and under normal conditions this should continue to be the case.

Property owners wishing to connect with the Water or Sewer, or both, must notify the Superintendent in order that he may inspect the connection before they are covered.

Officials of the State Board of Health inform us that we have one of the best water systems in the State. They are co-operating with us fully, and have made frequent tests of the water, from specimens taken from various places around the town, to insure its purity. The Purification Plant has all the improved equipment for supplying pure water.

The quantity of water used during December, the first full

month the system was in operation, was 837,300 gallons, or a little more than 27,000 gallons per day. In January the consumption increased to 1,027,300 gallons, or some over 33,000 gallons per day, as more connections were made.

The stand pipe, with a capacity of 250,000 gallons, is kept full at all times, and this supply of filtered water is available for fire protection. In addition to this, the reservoir at the Purification Plant holds some over 500,000 gallons of raw, or unfiltered water, which is immediately available in case of a serious fire. These supplies are further supported by the Kilburn Reservoir with a capacity of more than 70,000,000 gallons.

As a matter of interest, our records show that approximately 40,000 gallons of water were used at the fire in Mrs. Golden's tenement on Sunday afternoon, February 9.

At the close of the fiscal year on January 31, 1936, the following material and supplies were on hand:

Pipe line supplies, pipe, fittings, hydrants, etc.	\$393 47
3,950 lbs. of Soda Ash	63 83
3,450 lbs. of Alum	53 48
315 lbs. of Activated Carbon	20 16
457 gals. of Fuel Oil	31 99
	<hr/>
Total	\$562 93

The public is cordially invited to inspect the Purification Plant. It is operated several hours every day, during which time visitors are welcome.

Respectfully submitted,

CHAS. W. HARRIS,
Superintendent.

HINSDALE FIRE DEPARTMENT

Report of Engineers

The Board of Engineers submit the following report.

There have been nine general alarms and thirty-six still alarms during the past year.

February	15	1935	Clarence D. Fay's house. Partial loss.
April	25	1935	Auto at Dodge's Garage. False alarm.
September	5	1935	Hinsdale Paper Mfg. Co. Slight loss.
September	7	1935	Lasher Place. Total loss.
October	10	1935	Pelis Road-Stand. Total loss.
November	9	1935	Hinsdale Paper Mfg. Co. Total loss of the middle section.
November	11	1935	High School Annex. Small loss.
November	18	1935	James McCormick's house. Slight loss.
December	27	1935	Bushey's Garage. Slight loss.

At this time I wish to inform the townspeople that Chief Henry Whitney of Brattleboro and his assistants did not ask pay for their services at the time of the Hinsdale Paper Mfg. Co. fire on November 9, 1935 and the Board of Engineers and I thank them for this gift.

We recommend a new apparatus.

Respectfully submitted,

CLARENCE D. FAY, Chief.

H. J. Delphy, 1st Ass't Engineer.

R. L. Howe, 2nd Ass't Engineer.

F. J. Young, 3rd Ass't Engineer.

F. W. Walker, 4th Ass't Engineer.

H. R. WEEKS,

E. D. PLANTIER,

Town Auditors.

No cases have come before the Juvenile Court this year.

The court or the Police Department will be pleased to inform anyone the manner in which juvenile cases are conducted.

Respectfully submitted,

JESSE W. FIELD,

Justice.

HAROLD R. WEEKS,

Special Justice.

Year ending Jan. 31, 1936.

HINSDALE BRANCH A. R. C.

Report of the Chairman of the Nursing Committee

Dr. J. Harvey Grimes of Hillsboro assisted by the nurse, Miss Eva M. Fortier, conducted a dental clinic for the third year in June, 1935. The children are showing much benefit from these clinics.

As the result of lessons given by the nurse to a class of firemen, seven finished the course, and received a certificate from the American National Red Cross for the Standard course of instruction in First Aid to the injured.

We were very much pleased with the Roll Call enrollment.

Respectfully submitted,

EVA N. FAY.

JESSE W. FIELD,

Chairman of Hinsdale Branch, A. R. C.

Five children were operated on for tonsilectomy in the Keene hospital.

Dr. J. H. Grimes of Hillsboro, N. H., had a dental clinic in the Red Cross office with 128 operations done on school children's teeth.

I had a course in Home Hygiene and Care of the Sick in the High School with six pupils enrolled.

I gave a course in First Aid to the Firemen, seven Firemen receiving certificates.

Professional meetings attended during the year :

State Social Workers Society	Concord, N. H.
Red Cross Regional Meeting	Manchester, N. H.
State Teachers' Institute	Concord, N. H.
Cheshire County Public Health Nurses (three meetings)	Keene, N. H.

I wrote and put on a play at the Grange meeting.

I wish to thank the people who have generously contributed used clothing for the needy. I wish to thank the Doctors, Superintendent of Schools and teachers for their cooperation in my work.

Respectfully submitted,

EVA M. FORTIER, R.N.

LIBRARY REPORT

Hours open per week	22
Total circulation	28,271
Adult fiction	15,641
Adult non-fiction	2,239
Juvenile fiction	4,650
Juvenile non-fiction	3,610
Magazines	2,131
Average daily	92
Per cent of fiction	71
Volumes purchased	520
Volumes discarded	360

Our circulation of fiction has decreased this year. Some authorities say this is due to the fact that the depression is over and if so we are glad. One American Library official attributes the drop in circulation to the large amount of knitting being accomplished by the ladies, so we hope this fad passes. However, we have a fine collection of knitting books, as well as books on many other hobbies, and are always glad to help you with yours.

Our two remaining Liberty bonds, given by a former member of the library committee, were called in. With one we purchased fifteen new chairs for the reading room and the old chairs were sold to the Water and Sewer Department. The money from the other bond was placed in a savings bank. The appearance of the library is much improved by the new chairs and if the walls could be refinished or cleaned, we would have nothing for which to apologize.

It is becoming harder each year to meet the demands of the

schools for two reasons—the children require more material and the income from the trust funds grows smaller each year. We give the best service possible and the cooperation from the teachers is perfect. The North Hinsdale school bus calls at least once a week and the children get their school books as well as many for their parents and we hope this service is continued.

A book club was conducted this summer, but owing to the noise and dust from the construction work being done outside, most of the meetings were held near swimming holes and lunches were consumed rather than books.

We have exchanged books with Brattleboro and Winchester and have borrowed from the Library Commission and the State Library. Books are being loaned to the Farm Bureau and those waiting for these books can get them at the library.

We were sorry to lose Miss Roberts, who has helped in the library for ten years. The National Youth Administration has asked if we could use young people in the library and we have written that we could, but have heard nothing more as yet.

LUELLA M. C. STREETER,
Librarian.

ANNUAL REPORT
OF THE
SCHOOL BOARD
OF
Hinsdale School District
FOR
FISCAL YEAR
July 1, 1934—June 30, 1935

STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the inhabitants of the School District in the town of Hinsdale qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 14th day of March, 1936, at 3 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
7. To see if the District will vote to make any alterations in the report of the School Board recommending the amount of money required for the support of schools and payment of statutory obligations.

Given under our hands at said Hinsdale, this fifth day of February, 1936.

ALBERT KRUMENAKER,
CLARENCE B. O'NEAL,
DORA E. SMITH,
School Board.

A true copy of warrant—Attest:

ALBERT KRUMENAKER,
CLARENCE B. O'NEAL,
DORA E. SMITH,
School Board.

HINSDALE SCHOOL DISTRICT

Budget for 1936-37

School Board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1936.

Detailed Statement of Expenditures

Support of schools:	High	Elementary	Total
Teachers' salaries	\$5,325 00	\$10,675 00	\$16,000 00
Text books	200 00	550 00	750 00

HEADMASTER'S REPORT

Hinsdale, N. H.,
February 4, 1936.

Wesley H. Douglass, Superintendent of Schools :

The High School Building statistics :

Grade	VI	VII	VIII	IX	X	XI	XII
Enrollment	24	34	35	39	32	17	15

Graduated Class of 1935

Post Secondary Institutions entered by graduates :

N. H. University	1
Keene Normal School	1
Plymouth Normal School	1
Cooley Dickinson Hospital	1
Northampton Commercial College	1

It is of interest to note that the size of our graduating classes is tending to decrease and the size of the entering freshman classes is increasing. Over half of the pupils entering our high school are not finding enough to warrant their remaining in the school. These people are to become the citizens of the town and surely lack a great deal of background when the school fails to hold them after the tenth year.

Specifically, we lack :

- I. Adequate study hall conditions—people cannot study in classrooms.
- II. A school library, reference books, and a place to use them.
- III. A curriculum for boys that will train for something besides business and classics—a vocational course consisting of ap-

plied carpentry, mechanics, molding, engineering, drafting, and construction, practical chemistry and physics; subjects which build up in the boy a respect for personal achievement and pride in a job well done.

- IV. An auditorium and gymnasium which would give the school a chance to function as a physical and oratorical factor. Many people have long forgotten their Latin declensions or their geometric theorems, but the ability to speak in public and be a gentleman in a game are two very practical factors in their lives today. An auditorium would enable the school to produce and control music, dramatics, oratory and social functions. A gymnasium to facilitate athletic ability, gymnastics and to better the physical and mental health of our children.

It is impossible to seat one hundred and seventy-one children in the eighty stationary seats in the main room at present. This eliminates all complete school assemblies wherein a speaker may talk to the group.

There is no stage and the facilities of the Town Hall are limited to four functions per year which cuts dramatics to an irreducible minimum. During the winter months no organized form of athletics are available and our young people roam the streets. Social meetings are impossible in the high school building because of inadequate space. Half a dozen organized rhythmic gymnastics by a group of ninety pupils in the main room would start the tenons of the floor timbers.

We need a complete new set of school buildings and we need them very soon if the school is to serve the community in any possible degree of efficiency. Every high school boy on a job does two things, both bad. First, he throws a family breadwinner out of a job; and second, in leaving a good school system, he loses an opportunity to learn the finer points of good citizenship for which the school must exist.

The boys and girls who most need the effect of the social influence of the school are those that we lose the earliest because

of lack of physical facilities and adequate courses for this type. In the matter of crime prevention, leadership and facilities for directing the interests of the youth of our town are two prime factors. It is financially cheaper to keep any individual out of jail, through environment and guidance, than it is to keep him in jail and try to reform him.

Everything applied to the high school in this report may be equally well or better applied to the Bridge Street School.

Sincerely,

CLEON B. JOHNSON,
Headmaster.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale :

I have the honor to submit, herewith, my eleventh annual report.

Buildings and Grounds: During the summer of 1935 only the usual minor and necessary repairs were made in all the buildings, such as general cleaning, painting and varnishing where needed. Both of the village schools have been connected with the new water and sewer systems. These public utilities will add immeasurably to the general health, comfort and protection of the community all through the years.

It may be well to note here the fire in the High School building on the night of November 11, 1935. Owing to its early discovery, no very serious damage resulted save smoke and water. Due to the foresight and enterprise of the School Board, school went on as usual on November 12. As a result of the fire, new fire alarm signals have been installed in both of the central buildings and exits have been provided for the blind toilet rooms in both buildings.

For years I have been calling your attention to the need of an adequate school plant worthy of your children. I know of no finer children anywhere. They deserve to have for their school home a modern plant with adequate sanitary facilities, spacious playgrounds, auditorium, gymnasium, school library, with classrooms especially equipped for the varied activities of a modern educational program. I have confidence to believe that some day the citizens of Hinsdale will become convinced of this pressing need and in their characteristic way will provide for its children

an educational plant that will compare favorably with any town of its size.

Teachers and Pupils: The following changes are to be noted in the teaching staff: Miss Margaret Coll, who had been given a leave of absence, returned to her work in September. Miss Mary Ryan of Manchester, New Hampshire, a graduate of Plymouth Normal School, who had acted as substitute for Miss Coll, was assigned to the Plains School. At the High School, both Miss Estelle Pray, teacher of Home Economics, and Miss Katherine Flynn, teacher of Commerce, resigned to accept more lucrative positions elsewhere. As teacher of Home Economics, the Board elected Miss Dorothy Emery of Englewood, New Jersey, University of Vermont, B.S. 1931, A.M. 1935. Miss Emery has had experience in institutional work and has done research work for the federal government. To fill the vacancy in the Commercial Department, Miss Dorothy Ephlin of Ashland, New Hampshire, a graduate of Plymouth Normal, with graduate work at Cornell University, was elected by the Board. Miss Ephlin came to us after two years' experience at Sunapee.

The work done is well up to approved standards. There seems to be a spirit of harmony and cooperation all along the line which adds much to the pleasure, as well as effectiveness, of the work. For this spirit of harmony and cooperation, I am personally grateful to the School Board and citizens of Hinsdale, to the teachers and pupils, one and all.

Respectfully submitted,

WESLEY H. DOUGLASS,
Superintendent of Schools.

Winchester, N. H.
January 28, 1936.

WALTER S. KIMBALL,
Town Clerk.

The public school is the positive and definite measure of a community's awareness of parental and civic responsibility and obligation. Let us build for our children school homes that are clean and safe, symbols of our hopes for them and our faith in the future of the community. The investment made in school buildings is returned many fold in human dividends, for the personality of children reflects the refinement with which it is surrounded. The school lifts the level of mankind's ideals through the wholesome physical environment it provides as well as through its rich intellectual and spiritual life. Fortunate is the child who can have daily contact with good taste in his school home. Order, quiet, beauty, good equipment, play space, work rooms, gardens, safety, fresh air, abundant light, and cleanliness are as important for the school home as for the parental home. The beauty of the modern school is not achieved by extravagant ornamentation. Careful planning may produce architectural balance, grace and symmetry in outline, harmony in color, strength and dignity of material with an economy that is consistent with the ideals of thrift and simplicity of living which it is the purpose of education to instil.

JOY ELMER MORGAN.
